

TECHNION – RUTH & BRUCE RAPPAPORT FACULTY OF MEDICINE
Curriculum Vitae (for physicians only)**1. PERSONAL DETAILS**

Full Name: **Fuad Basis**
Identity No: 056317910
Date of birth: 26/6/1960
Place of birth: Israel
Marital status: married
Phone numbers: 0502061402, 0505202877
E-mail: f_basis@rambam.health.gov.il
Orcid Account: 0000-0003-1997-4625

**2. ACADEMIC DEGREES**

2020 MHA (cum laude)(Summa Cum laude)(Magna Cum laude), Public Health,
University of Haifa, Haifa, Israel,
1986 MD (Summa Cum laude)(Magna Cum laude), Faculty of Medicine, Technion-Israel
Institute of Technology, Haifa, Israel,

3. ACADEMIC APPOINTMENTS

2022 - present Senior Lecturer, School business Affairs (MBA), University of Haifa,
Haifa, Israel
2021 - present Senior Lecturer, Public Health, The Max Stern Yezreel Valley College
,Israel
2019 - Present • Senior Clinical Lecturer (Educator), Faculty of Medicine, Technion-
Israel Institute of Technology, Haifa, Israel

4. PROFESSIONAL EXPERIENCE (OUTSIDE ACADEMIA)

2022 - 2023 Member of Ministry of Health Steering Committee for Health Promotion
program of the Druze Sector, Ministry of Health
2019 - present Coordinator and complier of the Advisory Board to Rambam`s CEO for
appointments of New Directors for Hospital`s Departments and Units,
Rambam HCC

2016 - present	Head of Unit "safety of treatment and the JCI Accreditation process" – Hospital management Rambam Medical Center, Rambam HCC
2012 - present	Director of Consultation Committees (previously "Search Committees") for the Appointment of Department and Unit Directors Rambam Medical Center, Rambam HCC
2012 - present	JCI Accreditation Coordinator at the Rambam Medical Center, Rambam HCC
2011 - present	Founder and Manager of the Leumit Family Branch – Daliat El Carmel, Leumit HMO
2009 - 2012	Director and Coordinator of Sub-Specialty in Emergency Medicine, Rambam HCC
2009 - 2019	Acting Director of the Department of Emergency Medicine, Rambam HCC
2009 - Present	Deputy Director of Medical and Research Development, Rambam HCC
2008 - 2009	Director, Public Health Services, Rambam HCC
2008 - present	Member, Hospital Executive Management, Rambam HCC
2001 - 2013	Director, Medical Emergency Room, Rambam HCC
2001 - Present	Senior Physician in Emergency Medicine, Rambam HCC
1999 - 2001	Sub-Specialty in Clinical Immunology, Allergy and AIDS, Rambam HCC
1996 - 2011	Founder and Manager of the Maccabi Family Branch, Macabi HMO
1994 - 1998	Senior Physician, Emergency Department, Rambam HCC
1989 - 2003	Fellowship in Internal Medicine, Rambam HCC
1988 - 2001	Family Physician, Macabi HMO
1987 - 1988	Resident, Emergency Department, Rambam HCC
1986 - 1987	Internship, Rambam HCC

5. RESEARCH INTERESTS

- Clinical Descriptive Research In Health Care Systems Management and policy
- Clinical Descriptive Research In Medical Organization management and Leadership in the Medical System
- Clinical Descriptive Research In Emergency Medicine Departments Management
- Clinical Research Issues in Emergency Medicine

6. TEACHING EXPERIENCE

1988 - 1998	Bed-Side clinical instruction of Technion Medical Students (5th Year) in the Internal medicine department B (Teacher) , Medical School Clinical , Technion-Israel Institute of Technology, Haifa
-------------	--

1993 - 1993	Bed-Side clinical instruction of Technion Medical Students (6th Year) in the Internal medicine department C (Teacher) , Medical School Clinical , Technion-Israel Institute of Technology, Haifa
1997 - 1998	Program Director and Lecturer of courses in Internal Medicine for 2nd year nursing students (Manager) , Nursing Course , Rambam Health Care Campus, Haifa
1998 - 2006	instructor in ACLS courses for medical staff (Instructor) , Residents , Rambam Health Care Campus, Haifa
1999 - 1999	Bed-Side teaching Medical Students , in Clinical Immunology and HIV (Teacher) , Medical School Clinical , Rambam Health Care Campus, Haifa
2000 - 2000	Bed-Side teaching Touro College Medical Students, in Clinical Immunology and HIV (Tutor) , Medical School Clinical , Rambam Health Care Campus, Haifa
2000 - 2000	Coordinator of the Internal Medicine Course for Academic Nursing Students – Technion / University of Haifa (Manager) , Nursing Course , University of Haifa, Haifa
2001 - 2001	Lecturer in Internal and Emergency medicine – 2nd year in Undergraduate Degree in Nursing (BA) - Technion and University of Haifa. (Lecturer) , Nursing Course , University of Haifa, Haifa
2001 - 2013	Bed-Side teaching of Foreign Medical Students via the "Students Exchange Program" during the summer months in the Emergency Department (Tutor) , Medical School Clinical , Rambam Health Care Campus, Haifa
2003 - 2003	ACLS Instruction for Family Physicians Meuhedet HMO (Instructor) , Residents , Technion-Israel Institute of Technology, Haifa
2004 - 2004	Lecture for Family Physicians from Meuhedet HMO – Course in Emergency Medicine - Technion (Lecturer) , Residents , Technion-Israel Institute of Technology, Haifa
2004 - 2006	Lecturer in Emergency Medicine for post-BA nurses (Lecturer) , Nursing Course , Rambam Health Care Campus, Haifa
2005 - 2005	ACLS Instructor for Touro College Technion Medical Students (Lecturer) , Medical School Clinical , Technion-Israel Institute of Technology, Haifa
2011 - 2015	Bed-Side teaching in Rambam Emergency Department for 6th year Medical student (Elective) (Tutor) , Medical School Clinical , Technion-Israel Institute of Technology, Haifa
2015 - Present	Tutor Medical Students in the medical and professional exposure curriculum (clinical Tuesday) for pre-clinical years (Lecturer) , Medical school pre-clinical , Technion-Israel Institute of Technology, Haifa

2019 - 2019	One week Course instructor for Russian physicians' delegation in JCI Accreditation Project (Lecturer) , International Course , Rambam Health Care Campus, Haifa
2020 - 2020	Bedside education for 6th year medical students (elective) in the emergency department (Instructor) , Medical School Clinical , Rambam Health Care Campus, Haifa
2021 - 2021	Lecturer- Health Organizations management (Lecturer) , MHA Degree , The Max Stern Yezreel Valley College , Israel
2022 - 2023	Lecturer - Business school (Lecturer) , MA - Business Administration , University of Haifa, Haifa
2022 - 2023	Lecturer- Health Organizations management (Lecturer) , MHA Degree , The Max Stern Yezreel Valley College , Israel

7. ACTIVITIES

2000 - 2000	Compiled Multiple-choice exam in Internal Medicine for Nursing students - Technion / University of Haifa
2000 - 2000	Examines students in Internal Medicine of Nursing –Technion / University of Haifa
2016 - Present	Compiled Multiple-choice exam (software) for all Medical students as part of preparing students in JCI Accreditation Process

8. FACULTY ACTIVITIES

2019 - Present	Drafting standards related to the Faculty of Medicine's relations with the hospitals as part of the DCI accreditation, Technion-Israel Institute of Technology, Haifa
2019 - Present	Member of Steering Committee of the Academic Accreditation Project of the Technion Faculty of Medicine (DCI), Technion-Israel Institute of Technology, Haifa
2020 - Present	Member of steering committee for promoting women researchers (gender equality), Technion-Israel Institute of Technology, Haifa
2022 - 2022	Syllabus creator in Emergency Medicine selective rotation, Technion-Israel Institute of Technology, Haifa
2022 - present	Head Emergency Medicine teaching Department, Technion-Israel Institute of Technology, Haifa

9. PUBLIC PROFESSIONAL ACTIVITIES

2002 - 2007	Secretary and Treasurer of the Israeli Emergency Medicine Medical Association , EM medical society
-------------	--

2002 - 2012	Member of the Resuscitation Council - Rambam Medical Campus , Rambam Health Care Campus, Haifa
2003 - 2012	Member of the Examination and Qualification Committee of the Scientific Council of the Israeli Medical Association, for "Emergency Medicine Fellowship and other specific Specialties" , Scientific council - IMA
2005 - 2005	Reviewer, Israel Medical Association Journal (IMAJ), IMAJ
2005 - 2005	Steering Committee, Ministry of Health, concerning the Use of Thermo-Camera for the Detection of SARS Patients Among Passengers in Ben Gurion Airport , Ministry of health
2005 - 2006	Member of Steering Committee, Ministry of Health, concerning pattern of visits to Emergency Departments in Israel , Ministry of health
2005 - 2012	Managing Editor, Israel Journal of Emergency Medicine (ISRJEM), EM medical society
2006 - 2006	Reviewer, "Journal of Medicine Issues" ,
2006 - 2007	Steering Committee, Ministry of Health (Prof Landau's committee), concerning Violence Against Medical Staff in the Emergency Department , Ministry of health
2006 - 2008	Chairman, Cardiovascular Session, Annual Scientific Conference of Emergency Medicine , EM medical society
2006 - 2008	Member, Steering Committee of the Annual Scientific Conference of Emergency Medicines , EM medical society
2009 - 2014	Examiner A + B in emergency medicine (EM) , EM medical society- Scientific counsel
2009 - Present	Member, Hospital committee concerning Violence against Medical Staff , Ministry of health
2010 - 2010	Chairman, Quality of Emergency Medicine specialty Session, 15th Annual Scientific Conference of Emergency Medicine, , EM society
2010 - 2010	Reviewer "Main Scientist's Office" Ministry of Health, Ministry of Science-Israel
2014 - 2014	Personal Review of an article written by Editor-in-Chief of the LANCET Professor Richard Horton under the heading: "Offline: People to people" , Lancet
2014 - 2015	Reviewer, "HAREFUAH" Israeli Medical Association Journal , IMA
2015 - 2015	Reviewer of Research Grants, for the National Institute of Health Services Research and Health Policy , Ministry of Health
2019 - 2019	Reviewer, Journal of primary health care & general practice , Journal of primary health care & general practice

2019 - 2019	Writing multiple choice questions for stage A exam for residence in emergency medicine , Scientific Council
2019 - present	Consultant and mentor of the Medical Association of Piraeus, Greece on starting a new specialty in Emergency Medicine. , Athens Medical Association
2020 - 2020	Reviewer to Manuscript ID: IJHPM-2010-5541: A sharp decrease in emergency department visits and hospital admissions: The possible adverse effect of covid-19 pandemic mitigation measures , IJHPM (Q1)
2020 - 2020	Reviewer, J. of Emergency Management: "Implementation of a cardiovascular emergency telephone line in response to lockdown due to COVID-19 pandemic" , J. of Emergency Management
2021 - 2021	Reviewer to manuscript ID: IJHPM-2006-4995: A Report on Statistics of an Online Self-screening Platform for COVID-19 and Its Effectiveness in Iran , International J Health Policy management (Q1)
2021 - 2021	Reviewer to manuscript Titled: "Did the events following the COVID-19 outbreak influence the incidents of violence against hospital staff?" , Annals of Psychiatry and Mental Health
2021 - 2021	Reviewer to manuscript Titled:A sharp decrease in emergency department visits and hospital admissions: The possible adverse effect of COVID- 19 pandemic mitigation measures , International J Health Policy management (Q1)
2022 - 2022	Invited Guest Editor special issue on COVID-19 Vaccination , Vaccine J. (Q2)
2022 - 2022	Reviewer to manuscript Titled: Acceptability and Concerns Towards Covid -19 Vaccination among Parents; A Cross Sectional Survey in Ras Al-Khaimah, United Arab Emirates , NEMJ -New Eimirates Medical Journal
2022 - 2022	Reviewer to manuscript Titled:COVID-19 infection in an intensive care unit in Tunisia: risk factors of mortality , Archives of Community Medicine and Public Health
2022 - 2022	Reviewer to manuscript Titled:Workplace Violence on Physicians and Nurses in Jordan Hospitals: Causes and Solutions , Journal of Biomedical Research & Environmental Sciences

10. MEMBERSHIP IN PROFESSIONAL SOCIETIES

- Professional Committee - Israel Medical Association Scientific Council, for distinguished specialties (Emergency Medicine and other specialty)
- Israel Society of Emergency Medicine
- Israel Medical Association
- European Society of Emergency Medicine

11. AWARDS AND HONORS

1984	Excellent student, The Pittsburg Award for excellent medical student, Montefiori Hospital Pittsburgh, USA
1999, 2007	Excellence best Physician, Kupat Hulim Maccabi Award for excellence for Family Physicians, Kupat Holim Maccabi
2002	Leadership, Award for leadership for the "Best Department According to Patients' Satisfaction Scoring" – Emergency Department Rambam Medical Center, Rambam Health Care Campus, Haifa
2006	Leadership, Honor of Leadership of Emergency Services – 2nd Lebanon War, Rambam Health Care Campus, Haifa
2014	Honor Member, Committee Member of specific specialties of the Scientific Council, Scientific Council- IMA
2015,2016	Excellent Lecturer, Faculty of Welfare and Health Sciences, University of Haifa, Haifa
2018	Honor of the Scientific Council- the Israeli Medical Association for participation in the specialist committee of the Scientific Council, Scientific council
2018	Excellent Lecturer, faculty of medicine, Technion-Israel Institute of Technology, Haifa
2022	treatment of COVID-19 Patients, Ministry of Health, Ministry of Health

12. GRADUATE STUDENTS

Completed MD Theses

2008	Joshua Birnbaum, The outcome of routine chest x-ray among patients admitted to hospital, (Fuad Basis)
2009	Yasmine Antwan, The outcome of admissions to the Chest Pain Unit, (Fuad Basis)

Completed Basic Science Theses

2003	Dan Givon, Burnout among Nurses and Physicians in the Emergency Department: a Comparison Study, (Fuad Basis)
------	---

Completed MSc Theses

2020	Inna Saas, Ways of assimilating accreditation as part of organizational culture in the hospital- The Max Stern Yezreel Valley College, (Fuad Basis Co-Supervisor with Shiran Bord)
------	--

Completed PhD Thesis

2013 Aric Katz , The Wizard of Oz"- a simulation computerized training program for physicians in Medicine. - Technion - Israel Institute of Technology ,(Prof. Avishai Shtub Co-Supervisor with **Fuad Basis**)

MD Theses in Progress

Basic Science Theses in Progress

MSc Theses in Progress

PhD Theses in Progress

2020 - 2022 Avshlom Vaknine, Does disposition effect in economics apply in medicine- The Haifa university ,(Prof. Doron Kliger Co-Supervisor with **Fuad Basis**)

13. FORMER TRAINEES AT KEY POSITIONS

14. RESEARCH GRANTS

Competitive

2019 - 2020 Israeli Institute for Health Policy Research, Did the events following the COVID-19 outbreak influence the incidents of violence against hospital staff?, 1700 GBP, **Fuad Basis** (Author)

2021 - 2021 Israeli Institute for Health Policy Research, Involvement and skepticism towards the JCI Accreditation process among hospital's four sectors employees: Suggestions for cultural change, 1700 GBP, **Fuad Basis** (Author)

Industrial

1999 - 2001 NIAID (NIH), Phase 3 - use of Interferon for HIV Patients, 11,000, USD, **Fuad Basis** (PI), Prof Zvi Bentoetch (Sourasky Medical Center- TLV) - Manager of project in Israel

2019 - 2020 Medical Tourism Agency, Conducting international medical training for doctors from abroad, 7500, USD, **Fuad Basis** (CI)

15. PUBLICATIONS

15.1 Theses

1.**Basis F**, "The outcome of 8 years experience of repair of ano-rectal atresia" , Rambam HCC, supervisor - Shoshani G.1986

15.2 Refereed papers in professional journals

Published papers

Accepted (or in press) papers

Submitted papers

Basic research

1. Pollack S, **Fuad B**, Raz R, Etzioni A: Epidemiological and serological studies in HIV infected Ethiopian immigrants to Israel. *Acta Paediatr Suppl* 400:19-21, 1994.
